SERVICES

Project Management Services

Frustrated with projects that don't deliver as expected?

Overwhelmed with over budget projects?

Need help creating a robust project plan?

Find it hard to avoid scope creep?

Stuck in a particular phase of the project lifecycle?

Confused about business requirements?

Need help managing the project budget?

Need help with project change control?

YOU NEED A BULLDOG!

Our Project Management Services at Bulldog Consulting Services provides clients with strong project managers that are dedicated to the overall success of a project. Our project managers have diverse backgrounds of knowledge, skills, and techniques that supplement their efforts as a project progresses through the project lifecycle. Bulldog's project managers go the extra mile and demonstrate a clear commitment to projects by including energy and operating with attention to detail.

What We Do

- Project Management
- Program/Portfolio Management
- Project Support

Why we are Different

Our team of project managers have decades of experience helping clients navigate through the project lifecycle. As an independent 3rd party vendor, we bring impartial and experienced leadership to help you understand how to plan your project phases, budget, and resources.

Our staff will provide leadership, project management, and training. We can assist with crucial projects, process improvements, testing, and training phases leaving you with all the tools and knowledge you need to manage the process long term.

We can help you complete your projects in a timely and efficient manner. When you need your project done now and done right, you need a Bulldog.

At Bulldog Consulting Services, We MEAN Business!

We're passionate, loyal, diligent, and determined. We're like a dog with a bone. We won't let go of an issue until it's been fully dissected, analyzed and resolved to your satisfaction.

- Proactive • Integrity • Enthusiasm
- Deep Domain Experience • Professional • Accountable
